

Newcastle MRB End of Project Form

Please complete and return form to NMRBiobank@ncl.ac.uk

The following information is required to ensure compliance with the UK Human Tissue Act and NMRB Access Policy. It is also very helpful to the NMRB for auditing and improving our service.

APPLICANT DETAILS				
Main applicant:				
Co-applicants:				
Institution/Organisation:				
Email address:				
PROJECT DETAILS				
MRBOC ID number				
Project Title				
MRBOC Approval date				
Project start date				
Project end date				
MAIN PROJECT OUTCOMES				
<i>Please summarise the work completed with the NMRB samples used and detail any main findings from the project:</i>				
PUBLICATIONS/PRESENTATIONS				
Has your work using NMRB material been published in a journal?	YES*	<input type="checkbox"/>	NO	<input type="checkbox"/>
<i>* If YES, please provide references and attach PDFs when you return this form:</i>				
Do you have any unpublished data that has resulted from NMRB material or do you envisage publishing any further data from NMRB material in the future?	YES	<input type="checkbox"/>	NO	<input type="checkbox"/>
Has your work using NMRB material been included in a PhD thesis in the last 12 months?	YES*	<input type="checkbox"/>	NO	<input type="checkbox"/>

<i>* If YES, please provide references:</i>				
Have any of your data from NMRB samples or data derived from NMRB material been submitted to an online repository?	YES*		NO	
<i>*If YES, please supply the URL:</i>				
Has your work using NMRB material been included in a presentation in the last 12 months (e.g. conference, meeting)?	YES*		NO	
<i>*If YES, please provide details:</i>				
FATE OF HUMAN TISSUE				
Are you still storing human tissue provided by NMRB?	YES*		NO	
<i>*If YES, please provide details:</i>				
If you are no longer storing human material, please indicate the fate of all tissue you have received:				
Returned to the NMRB	YES		NO	
Extracted and is now in the form of DNA, RNA or protein	YES		NO	
Cultured for more than 24 hours (<i>cell lines only</i>)	YES*		NO	
<i>*If YES, please provide details of:</i> <i>a. any cell lines that have been derived from NMRB tissue</i> <i>b. any cell lines that have been validated and banked with a repository (e.g. ECACC)</i> <i>c. any publications, including PhD theses, which used these cell lines</i> <i>d. details if cell lines have been shared with third parties</i>				
Respectfully disposed of	YES		NO	

Thank you for completing this form, we appreciate your help
